**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

True to the idea of free enterprise, how can the government so dedicated to businesses as individuals equal to each and ourselves for the establishment and growth of revenue resulting in profit for both to their fair share approve a one-sided definition equal to only one side is inestimably ludicrous. Capitalism is enterprise and the rise of the upstart.
